What is your main reason for choosing that response?

Hypertension clinic 2/12 9:40 seem quickly on time blood test taken as a check very thorough kind efficient and professional

I have never had any reason to feel unhappy about the service/ treatment/ expertise received at The mill.

The service was friendly and helpful even though we have struggled for appointments for just under two weeks.

Just want to say how kind, charming and caring all the staff are here, but particularly the nurses. They are so kind and cheery - they make my day - even if I'm here for a reason!
