## What is your main reason for choosing that response?

I am always able to see a doctor even if not always my own. I feel the standard of staff and doctors is high
Very helpful, kind doctors
Phoned up with an urgent request to see a doctor about my child's mental health. Staff realised my distress and fit me in within 20 minutes! Doctor was extremely kind, helpful and listened to me pour my heart out. Keep up the fantastic work guys. Thank you x
I have had such a positive experience. The professionalism, care and lovely people working here have made my appointments here at the Mill really uplifting. Thank you very much.
Front desk staff friendly and helpful. Access to doctors is a breath of fresh air.... no waiting two weeks for an appointment. this is a really well run practice. this should be a model for others. thank you
Down stairs carpet is filthy dirty; not fitting for surgery
My husband has been treated by your nurses twice this year. Each time has necessitated weekly visits to the surgery. Your nurses especially Melisa have been excellent- always supportive and very helpful every time he has attended their clinics.
Great doctor, V. pleasant reception office
My experience with the Nurses has been first class from each one.
