What is your main reason for choosing that response?

Clean and Friendly doctors, welcoming and comfortable
very good service they care for their patients
Its a good doctors surgery with friendly staff, but it is so hard to get doctors appointments if not made it through the phone lines at 8am. When made through phone line only available appointments left are emergency. They say A&E is to busy but you cant get a doctors appointment because its to overcrowded and still more people being allowed to register here.
The general attitude of the practice is supportive and one can always see a preferred GP.
Very Polite
