What is your main reason for choosing that response?

- Unable to get appointments, when you talk to reception they are some times not very helpful and rude.
- Caring staf professional expertise when you need it. A very good surgery. I have lived in the UK since 1954, lived aboard also. NHS has always delivered for my family. Thank you.
- This is the worst surgery I know. The receptionists here are so unhelpful. The best one I know is Binscombe medical centre. The receptionists here should take a look at Binscombe for some ideas.
- Dr Clark has been absolutely brilliant. Very understanding and willing to help. Never patronising and genuinely caring. I'm very lucky that she is working at the practice. Thank you.
